My dear Elizabeth:

I have your letter, I was glad to learn that you are so well and getting "fat". Look out, don't lose your girlish figure. The new book is out and I am sending you a copy. I hope you will like it: So far, it has made a good impression, but it hasn't been out a week yet.

Of course, you liked Roland Hayco. He's, I think, the greatest singer in his class in the world - Grace is well, and she asked me to send you her kindest regards. We shall be glad to see you when you come East. Sincerely yours. Jim.
